

Job Description

Bask Digital Media is seeking an Account Coordinator who will assist with day-to-day operational workflows. You will work with our Directors of Campaigns, Strategy Director, and Account Managers to brainstorm engaging content, write copy for email and social media, research, and execute client deliverables.

People describe you as having a strong attention to detail and you are highly organized. You think creatively to develop out-of-the-box solutions. You pride yourself in high quality work. You are inquisitive and will often set out on your own to learn new things without asking for guidance. You thrive under pressure and stay organized when juggling many different tasks.

****Please include a cover letter and your resume. Applicants without a cover letter will not be considered.****
